25/04/2025

Dear Parents/Carers,

We hope you had a good break, the children have come back full of energy and ready for the term ahead.

Hepatitis A Vaccination

If your child had a Hepatitis A vaccination in October it is now time to book the second vaccination. To do this please contact your GP practice who will make the appointment for you. If you have any difficulties please let the Office know.

Polite Reminders

- Please can you apply sunscreen to your child before they arrive at the setting and ensure that they have a named sun hat with them.
- Please can your child bring a named bottle of WATER each day. The children have access to their bottles at all times to keep them hydrated.
- Please use the footpath when arriving at Preschool and do not walk through the carpark. This is for everyone's safety.
- Please do not use mobile phones, vape or smoke on the playground.
- Please return any Preschool clothes or wellies to the setting. If you have any old clothes from age 2 you would like to donate to the Preschool they would be gratefully received.
- If you are going to be late arriving at the beginning of your session please let us know to minimise disruption to the session.
- We are closed Monday 5th May for the May Day Bank Holiday.

Gardening

The children are learning about how things grow and we have started planting different fruits, vegetables and flowers. If you have any spare plants or seedlings we would love to have them.

Buggies, scooters and bikes

We are in the process of building storage for parents to be able to leave these at Preschool during the day. Until then please take these home with you as we have limited space.

Have a good weekend,

Polly Swannell
(Manager)
